From the Registrar, Dr.YSR Horticultural University, Venkataramannagudem, West Godavari District, letter No.138/ Registrar/2024, dt:01.02.2024.

ORDER

In the reference read above, the Registrar, Dr.Y.S.R Horticultural University, Venkataramannagudem, West Godavari District has informed that, the FAO reports states that roughly one third of the edible parts of food produced for human consumption gets lost or wasted globally which is about 1.3 billion tonnes per year. In horticultural commodities the stages at which post harvest losses occur can be divided in to five such as per production / harvest, post harvest handling and storage, processing, distribution and consumption. Post Harvest losses represent a waste of resources used in production such as land, water, energy and inputs. Hence there is need to establish a Horticultural Polytechnic with Diploma in Horticultural Food Processing to get hands on experience, knowledge, management of various post harvest problems and value addition in perishable horticultural crops by students and to help the farmers in enhancing their income levels of farmers.

2. Therefore, the Registrar, Dr.Y.S.R Horticultural University has submitted proposals to the Government for establishment of new Horticultural Food Processing Polytechnic at Dhone, Nandyal District under Dr.YSR Horticultural University.

3. Government after careful examination of the matter, hereby accord permission to the Registrar, Dr.Y.S.R. Horticultural University, Venkataramannagudem, West Godavari District for establishment of new Horticultural Food Processing Polytechnic at Dhone, Nandyal District under Dr.YSR Horticultural University.

4. The Registrar, Dr.Y.S.R. Horticultural University, Venkataramannagudem, West Godavari District shall take further necessary action in the matter.
